

# **Strings for Temporal Annotation and Semantic Representation of Events**

by

**David Woods**

A dissertation submitted

in fulfillment of the requirements

for the Degree of

**Doctor of Philosophy**

**University of Dublin, Trinity College**

November 2020

## **Declaration**

I, the undersigned, declare that this thesis has not been submitted as an exercise for a degree at this or any other university and it is entirely my own work.

I, the undersigned, agree to deposit this thesis in the University's open access institutional repository or allow the Library to do so on my behalf, subject to Irish Copyright Legislation and Trinity College Library conditions of use and acknowledgement.
